

Your kingdom come

(Matthew 6:10, NIV)

Jesus came to reclaim his authority over all of creation. When we pray for God's kingdom to come, we ask for him to reign.

When God made man, he made man ruler over the earth. That is why humans can achieve so much. But we decided to do that without God, in our own wisdom. That is why humans can destroy so much. God became the man Jesus to reclaim his rightful and righteous rulership. Man still rules, but in Jesus, the God-man.

When we pray 'your kingdom come' we are asking for King Jesus to reign. For God to rule through his King Jesus.

*Prayer: What makes you angry, sad, upset in the world?
Ask God's kingdom to come over that situation.*
